

Declaration of non use of

**Conflict minerals and metals:
Substances in the scope of:**

- SEC. 1502. "CONFLICT MINERALS" of the Dodd-Frank Wall Street Reform Act**
- REGULATION (EU) 2017/821**

In the manufacture of **all** products supplied by Siegwirk, substances based on columbite-tantalite (coltan), cassiterite, gold, wolframite minerals or their derivatives that might be reportable under sec. 1502 of the Dodd-Frank Wall Street Reform Act, or raw materials containing these substances are not used as intentionally added ingredients.

In the manufacture of **all** products supplied by Siegwirk, minerals or metals containing or consisting of tin, tantalum, tungsten or gold that might be reportable in the scope of Regulation (EU) 2017/821, or raw materials containing these substances are not used as intentionally added ingredients.

The presence, however, of traces of these substances in the product coming from raw material impurities, from the process or as adventitious contaminant cannot be excluded¹.

¹ However, we proactively monitor and/or retrieve supplier data on impurities of the above mentioned substances in all raw materials likely to contain such traces. We can assure you that potential traces in our products respectively in the printed layer, if any, are, as a rule, well below 0,1%.

The information in this document reflects Siegwirk's policy and commitments. This statement is valid without signature.
