

Declaration of non use of

Naphthalene, 2-methylnaphthalene and 1- methylnaphthalene

In the manufacture of **all** products supplied by Siegwirk, naphthalene, 2-methylnaphthalene and 1-methylnaphthalene or raw materials containing these substances, are not used as intentionally added ingredients.

The presence, however, of traces of this substance in the product coming from raw material impurities, from the process or as adventitious contaminant cannot be excluded¹.

¹ However, we proactively monitor supplier data on impurities in all raw materials likely to contain naphthalene. We can assure you that, according to the present scientific knowledge, potential traces of naphthalene in our products, if any, are far below 0.1%.

The information in this document reflects Siegwirk's policy and commitments. This statement is valid without signature.
