

# VEGA PRIME

Owing to our commitment towards consumer safety and sustainable development, we present to you 'VEGA', our range of mineral oil-free inks.

It is an endeavour from all of us at Siegwirk to significantly reduce the usage of mineral oil in the packaging industry and make inks safe for all.

**VEGA Prime** is a unique series with more than 25 base inks in the product basket. This series is the most versatile as it is able to perform on a wide range of substrate due to moderate tack and

wider ink-water balance window. Apart from numerous other features, it also consists of high light fast and chemical resistance properties.

## BENEFITS

- ✓ High colour strength
- ✓ More than 20 base colours to cover a wider gamut of special/pantone shades
- ✓ Excellent roller stability & ink transfer properties
- ✓ Better printability & dot sharpness properties
- ✓ Wider ink-water balancing properties
- ✓ Fast drying system which promotes post printing operations
- ✓ Moderate tack
- ✓ deal for high-speed printing machines up to 16-18k
