

# VEGA PRORICH

Owing to our commitment towards consumer safety and sustainable development, we present to you 'VEGA', our range of mineral oil-free inks.

It is an endeavour from all of us at Siegwirk to significantly reduce the usage of mineral oil in the packaging industry and make inks safe for all.

Especially designed to meet the requirements of high-end packaging industry, **VEGA ProRich** comes with excellent features such as very

high colour strength, light fastness, consistent dot sharpness, high scuff and excellent gloss retention.

## BENEFITS

- ✓ Very high colour strength that provides excellent colour intensity
- ✓ Comes with additional yellow and magenta of light fast 6
- ✓ Moderate setting speed with fast through drying
- ✓ Excellent gloss retention
- ✓ Excellent cuff making it most suitable for unvarnished jobs (specially for Matt Art Card)
- ✓ Wider ink-water balancing window to ensure a robust performance on machine
- ✓ Higher rheology with good flow characteristic which leads to excellent and consistent dot sharpness
